INTRODUCTION

The Ramana Maharshi Shrine and meditation hall constructed and maintained by the Ramana Maharshi Centre for Learning has been a spiritual oasis in Bangalore for the past 15 years. People from all over Bangalore, Karnataka and India come to the meditation hall attached to the shrine and imbibe the potent silence and peace coming from the vibrant presence of Bhagavan Ramana.

Sri. H. Marthanda Bhatta is a staunch devotee who invariably attends the Sat-sanghis at the Ramana Maharshi shrine and also the various programmes, seminars and cultural festivals being regularly organised by the Ramana Maharshi Centre. Inspired by the Bhagavan Ramana's guidance he has brought this book containing complete data about 400 temples, churches mosques and ashramas and mutts. It is purely a labour of love and he has dedicated the book to Bhagavan Ramana.

On the 4th of Feb'96 the preprint edition of this book was released by Smt. Sulochana Natarajan at the Ramana Maharshi's shrine. On that occasion Sri. Marthanda Bhatta explained in outline the special features of this book. On going through this valuable guide I have no hesitation in saying that it will be of immense value not only to the tourist but also to the citizens of Bangalore since the book

is an encyclopedia of information about religious institutions and modes of worship in each of these institutions and other relevant data.

I have a great pleasure in thanking Sri H. Marthanda Bhatta and Sri. K.T. Raghunathan of Vasan Book Depot who has readily come forward to publish this book.

FOREWORD

Prayer with devotion to the Lord enables one to reach the goal of Mukthi (Self Knowledge). Mukthi is the purpose of life. According to the Scriptures Purushartha ie Dharma, Artha, Kama & Moksha could be attained only if we move in dharma marga, which is the basis of our tradition.

Spiritual Centres are the holy places where-in there is the right atmosphere to pray Lord in the midst of fellow Devotees. According to great sage Shankaracharya, if a mumukshu falls into satsanghi's fold (ie Satsanghatve Nissanghatvam..., in Bhajagovinda stotra) then automatically liberation from the clutches of samsara is assured.

Bhagavan Sri Ramana Maharshi's Upadesha in enquiry "who am I?" called Vichara Marga, reveals, our true nature as Satchidananda Swarupa. This basic universal question of enquiry is applicable to one and all to know our true nature. Ramana Bhagavan proclaims "IT IS HERE AND NOW", (not attaining Moksha after death) with earnest enquiry is made. Sri Bhagavan Ramana Maharshi's Shrine is situated near Mekfiri Circle and is also covered in this directory.

An attempt is made to compile 400 spiritual centres ie, Temples, Maths, Gurudwaras, Churches and Masjids in Bangalore city to help Bangaloreans to attend them according to their tradition. This Directory Covers information such as address, worship timings, vigrahas, poojas, special events, location and also source of information for the data.

Bangalore city map with location points area-wise along with group of pincodes is provided. BTS bus numbers are also provided with nearest bus stop for the centres.

Sri. A R Natarajan, President, Ramana Maharshi Centre for Learning, Bangalore for whom I have great regard, has encouraged this effort for which I am thankful to him.

I am also thankful to my ex-colleague Sri C S Prabhakar, Dy Gen. Manager HMT Projects, who requested me a couple of years back to

prepare a directory of temples in line with my Bangalore Choultries Directory, which was prepared in August 1993.

My thanks are due to all my HMT colleagues and friends in giving me inputs required for this work. I am thankful to Post Master R.T.Nagar & his staff in giving some of the Bangalore Pin Code numbers. My special thanks to my son N.M Bhatt, who helped me in giving computer services required for this project. Finally I am thankful to my family members, particularly to my wife Sou. Malati for giving excellent help and cooperation in completing this task.

Some more spiritual centres are left out in this Directory, for which proper information is not available at the moment. I request that such information as per enclosed format may kindly be given, so that the same will be incorporated after scrutiny in next edition in near future. Further I request readers to furnish the missing details and modifications also in the present directory.

This type of directory could be made for other cities in India and it also serves as a data bank

Suggestions are welcome to improve the Directory

I place this work at the Lord Sri Bhagavan Ramana Maharshi's Lotus feet as my token of service to society.
